C5-4233/31-32 dated 7-9-35 from the Deputy Commissioner, Bangalo to the Muzrai Commissioner in Mysore.

Subject:- Alleged alienation of the properties belonging to the Attaulla Shaw Darga.

With reference to your letter No.C.1076/31-32 dated 21-6-34 calling for a further report on the above subject, I have the honor to state that the Amildar has reported that the file relating to the correspondence of 1876 referred to in the petition could not be traced and that even the 'From' and 'To' Registers of the period have been destroyed, under the Rules.

It is reported further that though the petitioner was given several opportunities to produce proof of his contention, he has been evading and that in response to a notice served on him, he asked on 12-7-35 for a week's time to produce some documents, but did not do so.

The Amildar has also reported that he could not gather any information in support of the petitioner's contention from local enquiry, and that on the other hand, he found that the properties had changed hands several times, and that some of them were even the subject matter of court sales so early as 1880 etc.

The connected records accompany.
